Sailing In Luxury Atmosphere

**MSY SILA is one of the best sailing gulets in Greece and Turkey with departure possibilities either from Kos or Bodrum.**

Sila is styled and managed by Dutch owners. The captain is from Turkey, he is a superb host, experienced in sailing and speaks English. This lovely 12-passengership Sila is a spacious and comfortable ship and has good sailing abilities. In the past, Sila joined the classical wooden boat regatta Bodrum Cup and even won several times. Sila is kept in perfect condition, with great shiny wood finish. The double cabins all have airco and ensuite bathrooms.

The lounge cushions outside are covered with clean fresh white terry covers. The aftdeck is the perfect place to relax during sunny days, because of the nice shade from the roof. Sunlovers can relax on the frontdeck (sundeck) on one of the 12 white terry clothed mattresses.

The yacht is capable of hosting up to 12 guests. All of the 6 cabins offer the same amount of space, individually regulated air-condition/heating system, en-suite bathrooms with "home type" toilets, shower cabins, wash bins and hair dryers. We have on board water sports facilities that will keep you in shape during your vacation: 2x canoes, snorkeling equipment, amateur fishing equipment, 2x SUP (stand up paddle board).

Sailing Equipment: Full; 2 steel masts, 1 roller genoa + 2 main sails + 1 inner sail.

Navigation is completely equipped: VHF, radar plotter, GPS, compass, maps, navigational lights, engine instruments, searchlights, air horn.
